Grasper atraumatisch	5 x 330mm	DH03-017	5 x 450mm	DH03-017 L

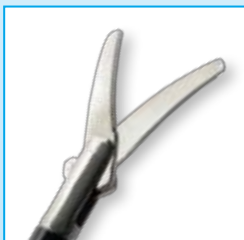

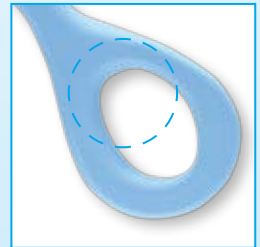

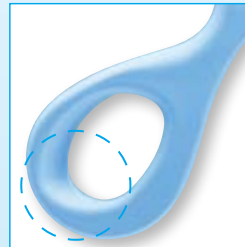

Weitere Tips auf Anfrage erhältlich. Stand: Mai 2009

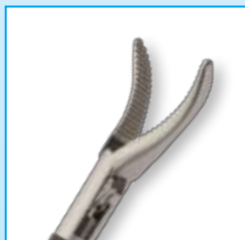

## Laparoscopic instruments with ergonomic grip for low working fatigue levels

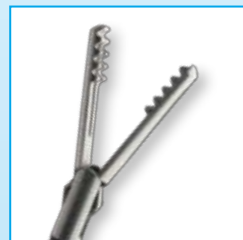

The instruments are made of steam-sterilized materials. They can be dismantled and readily cleaned. Users can therefore decide whether to use them as single-use or multiple-use instruments.
